Re: Supreme Oil Company, Inc.
 vs. UFCW Local 174 Commercial Health Care Fund, et al.
 Civil Action No. 07 Civ. 6479 (RJH)

Dear Judge Holwell:

We are attorneys for petitioner, Supreme Oil Company, Inc. ("Supreme Oil") in this matter.

Confirming my telephone conversation with Your Honor's law clerk this afternoon, we request a one-week extension of time in which to file reply papers, which are currently due by February 25, 2008. We are requesting a new deadline of March 3, 2008. I have requested the consent of respondent's counsel, but have yet to hear back from him. I do not anticipate a problem obtaining consent, however, I may not hear back by the end of today and, due to the inclement weather expected tomorrow, may not hear back until Monday.

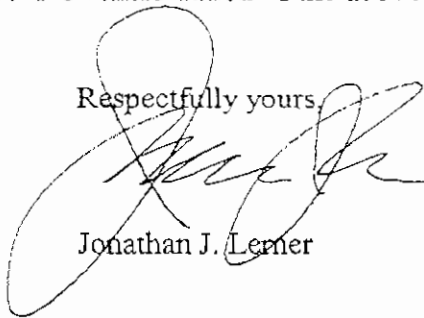

As Your Honor may recall, this matter involves a petition to vacate an arbitration award and a cross-petition to confirm the award. When the deadlines were initially set by the Court, we contemplated that the parties would rely upon their initial petitions and supporting papers. Upon review of respondent's papers, we have determined to submit a more substantive reply. As there are no discovery proceedings ongoing in this matter, we do not anticipate that the additional time

will prejudice respondent. As indicated above, I would expect that respondent's counsel will consent to the extension in any event.

We thank Your Honor for the Court's consideration of the above request.

Respectfully yours,

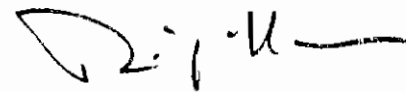

Jonathan J. Lerner
